Who's Using the Nonprofit CDM and How?

February 18, 2021
Your Nonprofit CDM tour guides

TIM Lockie
RYAN Ozimek
CHRIS Zimney
DAVID Hisler
Agenda

1. Welcome to the community!
2. Setting the scene for consultants
3. Independent software vendor's (ISV) view
4. System integrator's (SI) view
5. Q&A, next steps
Welcome!
Vision

+ A world where less resources are spent moving data and more time spent leveraging data to achieve the Sustainable Development Goals.
Mission

+ To nurture the growth of a vibrant nonprofit data model ecosystem and to more effectively achieve the SDGs through business, nonprofit, and individual collaboration.
A community for partners, by partners
Online community
